# **Scripture Initiative Timeline**

The "SYNC" event is part of a bigger picture. It is part of a whole initiative to help youth ministers plug teens into the Word of God. Youth Ministers are encouraged to use this timeline to take advantage of what is being offered.

- April/May/June – Get information about “**SYNC**” out to your teens
- May/June – Register your parish for “**SYNC - Plug into the Word**” with Mark Hart
- May/June – Invite youth to SYNC’s Facebook group “Sync Dallas” (We will set up all youth ministers as ‘administrators’ for the group).
- May 26 - **Brown-Bag Networking Conversation** - a facilitated conversation around Bible Studies and resources
- June 24 - Parish flat group rate registration is due (on or before this date)
- Summer - Research and prepare possible Bible Studies you can use with your young people; we suggest you schedule a 5-8 week bible study to follow “SYNC” in August.
- Early August - Have one more push for “**SYNC**” and have your teens complete their individual registration forms (you will receive these after you register)
- August 22, 2010 - Bring your teens to “**SYNC**” kick-off event with Mark Hart
- August 23, 2010 - Youth Ministers Workshop/“**Download in Progress**” - Mark Hart  
Discover more about leading Bible Studies with youth in a technology-based society.
- Immediately after “SYNC” - Invite youth to attend a follow up Bible Study
